

PLANNING AND COMMUNITY DEVELOPMENT DEPARTMENT PROCEDURES FOR APPLYING FOR A ZONING AMENDMENT

Prior to obtaining a building permit, please check the zoning of your property. You can come to the Department of Community Development and Planning, 4th floor, Texas City Hall, 220 Texas Boulevard, or you can call 903-798-3945.

Zoning can also be assessed at <http://ci.texarkana.tx.us.522/Zoning-Map>. Please note that this site is not an official verification of zoning.

If the proposed use of the property is not allowed in the current zoning classification and/or a specific use permit or site plan approval is required, please follow the following procedures:

1. Call or come by the Department of Community Development or obtain an application or visit the City website at www.ci.texarkana.tx.us.
2. Fill out the application. All blanks must be completely filled out in order to be processed.
3. A rezoning, specific use permit or site plan fee of \$250.00 must be turned in with the application along with a check or money order made out to the City of Texarkana, Texas. Credit cards are accepted on-site.
4. The application must include:
 - a. Original signature of property owner.
 - b. Complete legal description of property (metes and bounds or lot and block in subdivision).
 - c. Site plan approval request must be accompanied by a detailed site plan. Please follow site plan application/checklist.
5. See Meeting Schedule for meeting deadlines, Planning and Zoning Commission meeting dates, and City Council meeting dates.
6. Appear at the meetings to present your request or to answer any questions.
7. Applications cannot be filed on-line since an original application with the owner's signature and the filing fee is required before an application can be processed.

You are responsible for the accuracy and completeness of the application. Incorrect or incomplete information may result in the delay of processing the application. All application materials must be clear and legible. Please type or write your name under the signature line.
